Personal Statement

I am a Digital Media Designer and Project Manager with a flair for innovative ideas and perfect delivery of web designs, flash animations, branding concepts, and fine arts. My proven skills to perform perfectly under high pressure and to tight deadlines, effectiveness and creativity are great match to your requirements. While formulating solutions to individual job challenges and adapting quickly to shifting conditions, I am an extremely well organised and responsible individual.

EMPLOYMENT

2008/2009
(July - current)

SELF-EMPLOYED

Responsible for:

- Web Design, Graphic Design, Flash Animation
- www.arjenbuenk.com

Semaphore, Swindon

I'm working on a corporate website for a solicitors firm. Im responsible for design and layout. (Photoshop, Illustrator (CS4))
